

Technical drawing of a mechanical part, likely a bracket or support. The drawing includes a front view (left) and a top view (right). The front view shows a rectangular base with a width of 60 and a height of 50. A central slot is defined by two vertical lines spaced 20 units apart, with a total width of 40. The slot is 18 units deep. A horizontal line at the top of the slot is labeled 189. A vertical line on the right side of the slot is labeled 19. A horizontal line at the bottom of the slot is labeled 1. The top view shows a circular base with a diameter of 40. A vertical line on the right side of the circle is labeled 6. A horizontal line at the top of the circle is labeled 9. The drawing is dated 2008.

Hand-drawn technical drawing of a mechanical part, likely a bracket or support. The drawing shows a side view with dimensions: a total width of 110, a height of 40, and a slanted top surface. A vertical section on the right is labeled '9' and has a dimension of 35. A horizontal section at the top is labeled '5'. The drawing is on a grid background.
